

**Mr Christopher V Steer MB ChB MD FRCOG, RECOGNISED IN THE TATLER DOCTORS GUIDE
2013**

Consultant Mr C V Steer who practices at the BMI Hospitals Chelsfield Park and the Sloane has been selected, by a panel of distinguished GPs and fellow consultants, to be included in a guide to Britain's 250 best doctors. Produced as a supplement by Tatler magazine, the 'Doctors Guide', now in its fourth edition, recognises the brightest and most respected surgeons, doctors and medical experts in the UK.

Covering 34 categories, from allergies, through orthopaedic to vascular surgery, the guide's introduction from its editor, Jessie Hewitson, states: "Our aim was to make it simple to find the leading, most experienced consultants. To do this Tatler assembled a panel of respected GPs and top-of-their-tree surgeons and physicians, and asked them who are the best in their fields. Which doctors, in short, they ask to treat their own families. For anyone searching for the right doctor who wants to start at the top, this is the guide for them."

Speaking on Mr C Steer's work in the field of Fertility the Tatler guide states, "A fertility expert with 'good broad knowledge, working with 3D ultrasound scanning to check the uterus and fallopian tubes. He also focuses on keyhole surgery for the treatment of fibroids tubal damage and endometriosis as well as the causes of recurrent miscarriages."
